With the overwhelming Republican sweep in the election, Campbell's postmaster has been taking a beating from the local wags who want to know when he's leaving for Siberia.

Scuttlebutt has it that Campbell Products will not open until the 18th or later.

The entire population seems to be dividing into two groups—those who like the new Oldsmobiles and those who don't.

Our small daughter has taken up knitting and the three cats seem to feel it's a game played just for them. So far I can't tell who'll come out ahead.

James Dent, Campbell High School's ex-principal, was in the Press office Saturday to renew his subscription. He reports that his new work is interesting but that he misses the Santa Clara Valley and Campbell in particular.

Members of the Women's Service Club are looking forward to a Tom Brenneman Breakfast planned for Nov. 25 at the Country Woman's Club. These breakfasts, held simultaneously with the broadcast of the famous program, are acknowledged by Brenneman over the radio and those participating are given the chance to win the well-known prizes including the Armori orchid for the oldest guest, the Colonial Dame make-up kit, the wishing ring, and lots of previous soap. After listening to the radio program, those attending the breakfast will have a program of their own.

That beautiful window decoration in Field's Grocery was done by Mrs. M. McMurray, who teaches at State College. She had to get up at six in the morning to get here and do it before returning to the classroom. It was well worth the effort, tho, for it has captured the very feeling of fall and the Thanksgiving season.

Harris' Leave For Guam

Mrs. C. E. Harris and daughter, Judy, left Wednesday, Nov. 6, on the USS Haven for Guam to join her husband, Eldon Harris, who has been there since last May. They expect to be there until May, 1948. The USS Haven is a hospital ship and is going direct to Guam with Navy wives and children and civilian workers. The ship is expected to arrive there Nov. 19 or 20.

Marylyn and Judy have been with the Harrises for several months. Mr. and Mrs. W. W. Williamson, Marylyn's parents, came down from Alderpoint to see her before she left. While here they visited friends and relatives.

Campbell High PTA To Hold Rummage Sale

The Campbell Union High School PTA will hold a one-day rummage sale on Saturday, Nov. 23, in the IOOF Hall in Campbell. Articles for the sale may be left at the High School now. Proceeds will go toward the unit's project, two Peda-Spray machines.

For further information call Finance Chairman, Mrs. R. L. Allinger, Campbell 3991.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Church Of Christ Welcomes New Minister

The Reverend F. T. Hamilton will preach his first sermon Sunday to members of the Church of Christ congregation in Campbell. The Reverend Hamilton will be the first full time minister at the Church of Christ, and Bude Little, former minister states that "we feel that this is one of the most important announcements yet made regarding the development of the Church of Christ in Campbell."

The Reverend Hamilton and Mrs. Hamilton are both honor graduates of Abilene Christian College of Texas, and have three boys, Gerry, Melbert and Homer, and one daughter, Floy. They have been in the ministry since 1930 and have done evangelistic work in Louisiana, Texas, Kansas, Tennessee, Kentucky, Utah, and California, their last church being at Santa Maria, California.

The entire congregation is delighted with the new development. The church has three lots on Lattimer and Estar and plan to build in the near future. The new minister and family are now at home at 74 N. First St.

Women's Service Club To Meet

The Women's Service Club will meet on Wednesday, Nov. 20 at the home of Mrs. Eva Dahl at Harrison and Tubby, with Mrs. Alfreda Runge and Mrs. Janice Bohnett as co-hostesses. There will be a nursery in the cabin behind the Methodist Church. The meeting will start promptly at 2:45 and is very important as plans will be discussed for the bazaar to be given Dec. 6th.

Chamber Meeting Scheduled

Members of the Campbell Chamber of Commerce will meet next Wednesday, Nov. 20, at the Library Hall at 8 p. m., according to President Walter Silberbauer. At this time the nominating committee for new officers will be chosen, the election to take place at the December meeting. Mr. Silberbauer urged that everyone turn out for the meeting.

Livestock Show Opens Friday

Replete with new feature attractions, new thrills and new color, the second Grand National Livestock Exposition, Horse Show and Rodeo is all set to open the doors of San Francisco's huge Cow Palace Friday evening, Nov. 15, to the advance guard of the 200,000 who are expected to stream through the turnstiles during the show's ten-day stand.

During the Grand National's ten days at the Cow Palace, San Francisco will become the capital of California's vast livestock empire and the focus of attention of the nation's livestock industry.

More than 2900 head of the nation's finest livestock—brought here from as far East as Illinois, Iowa and Kansas, from more than a score of States in all—will compete for the major share of \$110,645 in premiums offered by the Grand National.

Nearly 400 of the West's finest horses—with a recently crowned Kentucky champion and his stablemates invading this territory for the first time—will compete for \$26,000 in prizes in a brilliant, full-division horse show which already is being greeted as one of the year's outstanding social events.

The possibility that the Grand National's rodeo would decide the national cowboy championship, awarded each year by the International Rodeo Association, grew daily as entries from nearly 250 of the nation's top performers flowed into the Cow Palace. The current leader in the Association's national rankings, Bud Linderman, of Red Lodge, Montana, has entered the show to compete in three events—saddle and bareback bronc riding and steer wrestling.

Four of the nation's most thrilling circus acts will be on hand to complete a three-hour bill of entertainment packed with thrills and color.

Livestock show, horse show, rodeo and circus acts make up each of the 150 performances of the Grand National—ten evening and five matinee performances are scheduled, with the matinees set for Nov. 16, 17, 22, 23, and 24.

Special buses will operate between Third and Market Sts., in downtown San Francisco and the Cow Palace to accommodate the thousands who will see the Grand National.

Campbell Taxpayers Hold Committee Meeting

At a special meeting of the Campbell Taxpayers' Association meeting Tuesday evening at the Library Hall, the proposed budget for Campbell following incorporation was discussed and agreed upon. During the discussion it was brought out that the proposed taxation of one per cent would leave a sufficient margin for unforeseen expenditures. The budget also include the various merchant licensing, bicycle licensing, dog tags and building, electrical and plumbing permits.

Persons qualified to act as councilmen for the city of Campbell were discussed. These persons, who will serve as the governing body of Campbell, will be elected by the residents of the new city. Also to be elected are the city clerk, auditor, treasurer, and police chief.

More phases of the proposed incorporation will be discussed at the next public meeting which will be held on Nov. 19, at 8 p. m., at the Library Hall. Speaker for the evening will be A. R. Spiers, secretary-manager of the Sunnyvale Chamber of Commerce. At this time the boundaries and expenses will be again reviewed.

Kiwanis Hold Open Meeting

An open meeting was held by the Kiwanis Club Tuesday with C. P. Klassen acting as chairman, who later turned the gavel over to Larry Hill.

Entertainment was furnished by the Silva brothers, Lawrence and Eldin, who rendered a number of duets on piano and sax. These talented boys are members of our High School student body.

One of the features of the day were the numerous fines paid mostly by Guy Farley and Coach Noddin.

High School student guest was Dick Gouley, and Budd Levenberg had Bobbie Hall, former local football star, as his guest.

Ed Hunter of San Jose club, was a visitor.

Next week we will have L. E. (Caster Fergie) Ferguson, Interclub chairman of the Alameda Club and expert at catter manufacturing who will talk on "How to Live and Die on Casters". Jack Murdock will be chairman.

Washington Wins, Bucs Rated Over Tech High In Game On Friday

By RON LA MAR

Jay Kuykendall gains yardage in night game against Gilroy.

The Campbell High Buccaneers varsity football team took a nose dive in the 1946 S. C. V. A. L. grid race last Friday with a loss to Washington High of Centerville. Although the Bucs were favored to win and scored on a safety in the first quarter, the Huskies came from behind to win by a score of 14-8.

End Levi Estrada dropped a Huskie man behind the goal in the first few minutes of play for the opening score of the game. The Washington squad came back early in the second quarter to get ahead when Quarterback Alden Channes went over from the two-yard line. Tackle Don Querner took a bad pass from center and ran around end for the extra point. In the third period Halliday went around end to complete the Huskie scoring and Querner booted the extra point right through the uprights.

The downed but not out Bucs came back in the final quarter to score on a long pass by Quarterback Wayne Buck to End Levi Estrada who went over untouched from the 20. Buck's try for the point was blocked and the game ended with the Buccaneers on the short end of a 14-8 tally.

Strong men in the Campbell line were Charlie Rizzuto and Mel Estrada, both guards, who co-captained for the hard luck eleven.

Perhaps Coach Herb Hudson of the Bucs should round up a rabbit's foot or a four-leaf clover to break the jinx which has hit the Campbell squad. The team's best chance to break the hex is coming this Friday when the Bucs play host to San Jose Tech's first football in history on the local gridiron. I predict a good lot of scoring for the Bucs with the tally at the end about 34-6, that is if the Techsters score at all.

The kickoff is at 3 on Friday, Nov. 15.

Ranchers Hear Discussion On Water Conditions

Campbell ranchers, under the sponsorship of the County Farm Bureau, heard Walter G. Hunt, Santa Clara Valley Water Conservation District engineer, discuss the County water problems last Tuesday evening at the Campbell Grammar School.

Since an adequate water supply is becoming more and more of a serious problem for the ranchers in the district, all interested people were urged to attend.

Among the factors discussed by Hunt were steps to conserve the run-off water from winter rains.

Hollinger Infant Dies At O'Connor's

Roger Jesse Hollinger, infant son of Mr. and Mrs. Zola Hollinger of Thornton Way, passed away Wednesday morning at O'Connor's Hospital after being confined in the hospital for three days with pneumonia. The child was four weeks old.

Funeral services will be conducted Friday afternoon at the Rutherford Funeral Home with interment at the Santa Clara City Cemetery.

Christmas Seal Program Outlined

Final preparations for the 40th Annual National Christmas Seal Sale will be completed locally with Boy Scouts throughout the County distributing posters to business houses on Nov. 16.

As a convenience to merchants with month-end mailings, special consignments of Christmas Seals will be mailed in advance of the Sale (which originally opens Nov. 25) to over 250 business houses throughout the County on Nov. 15, according to Don S. Fuller, general Seal Sale chairman. He urged merchants to buy and use Christmas Seals generously on their mailings to further the program of the Santa Clara County Tuberculosis Association in its efforts to help eradicate tuberculosis.

Christmas Seal Sale funds, Fuller said, will be used to maintain and enlarge free chest X-raying service throughout the County, public health nursing service, free tuberculin to doctors, and a widespread health education program in schools and community.

58,000 letters with Seals will be mailed on Nov. 25 to residents of Santa Clara County. Goal set for the 1946 Sale is \$45,000. Last year \$41,720.16 was raised.

EDITORIAL

Probably each man thinks his own part of the country
unbelievably beautiful at this time of the year, but Santa
Clara County residents have plenty to back up their claims.

While lacking the spectacular vine maple, the combina-
tion of the yellow orchards and the wild red of the grape
vines is so gaudy that it would be called vulgar probably if
anyone but Nature were responsible.

There is no bleakness, no "wail of the wind in the drip-
ping trees", commonly associated with the coming of fall—
but instead, a bracing snap of the air, so unusual as to be re-
freshing, and an efficient wind doing its yearly houseclean-
ing playfully but thoroughly.

One who shares birthday honors
with Abe Lincoln is in the spot-
light this week. He is George
Martin Allen Jr., publisher of this
paper. Life began for him on Feb.
12, 1910, in Portland, Ore.

His family consisted of his par-
ents and one sister. Even when a
boy, his ambition was to become
a printer as his father and grand-
father before him had been. He
attended Lincoln High School in
Portland, and the University of
Oregon, where his major was
journalism.

He met Miss Betty Davis and
married her on Aug. 3, 1933. They
have one daughter, Denison, aged
6. He was in the printing busi-
ness with his father in Portland
until he purchased The Campbell
Press in September, 1945.

Although an Oregonian from
away back, he still has come to
like California best. As hobbies
he likes horseback riding, and
builds model railroads, which his
daughter enjoys with him. He
has won prizes in Chicago for his
models.

McMONIGLE APPEAL
CONTINUED AGAIN

The State Supreme Court last
week granted continuance until
early next month of the manda-
tory appeal of Thomas McMonigle,
sentenced to die for the murder of
15-year-old Thora Chamberlain of
San Jose last January.

Continuance was at request of
McMonigle's counsel, a San Fran-
cisco attorney, who pleaded insuf-
ficient time in which to review the
case. The State's statement of
fact for the appeal was drawn up
by District Attorney Stephen
Wycoff of Santa Cruz County,
where McMonigle was convicted,
and Harold Lerner, Assistant State
Attorney General. California law
requires an automatic appeal of
a death sentence.

ANOTHER STRIKE WAVE

WASHINGTON—Only two labor
leaders have let the cat out of the
bag but around Christmas the na-
tion will face its greatest strike
wave in history.

Despite the fact that Lewis had
demanded the end of meat control
and wage stabilization; despite the
fact that the AFL went on record
for the end of all controls, AFL
and CIO leaders held a series of
secret huddles after Truman's
meat speech to decide on a new
wage policy. Most of them agreed
to soft pedal strikes for the mo-
ment and see what happened to
the price structure.

However, Lewis, who wants to
be president of AFL, and Reu-
ther, who wants to be president of
the CIO, would not hold back.

SPANISH WAR SURPLUS

As if there weren't enough
headaches in disposing of sur-
plus goods from this war, War
Assets administration recently
had to unload some ancient
horse-drawn ambulances used
in the Spanish-American war.

The problem was finally
solved by removing the wheels
and painting the bodies in de-
licate pastel tints. Presto—
the relics were converted into
gay cabanas and bathing shel-
ters for seashore resorts. They
sold like hotcakes.

CHURCHILL FUMES

Winston Churchill is getting
more and more irked over reports
that he is the member of the Big
Three chiefly responsible for sabot-
aging a democratic peace.

Originally, Churchill had plan-
ned to take plenty of time writ-
ing his memoirs, spinning them
out in three volumes to be fin-
ished about three years hence.
Now, however, friends say he
wants to put out a quick short
volume to answer critics. This
book would deal with some of the
Big Three conferences, especially
Teheran.

Churchill's critics have blamed
him for the spheres of influence
agreed upon at Teheran, follow-
ing which Russia took over most
of the Balkans, while England
took over Greece.

Churchill's friends, on the other
hand, claim that actually he was
vigorously opposed to these
spheres of influence and threw
the Atlantic Charter in Roose-
velt's face. Stalin, however, re-
plied that Britain could have her
own sphere of influence, and in
the end Roosevelt cast his weight
with Stalin.

Whether this or Elliott Roose-
velt's version is true, remains to
be seen. However, it is interest-
ing that the Harry Hopkins in-
spired stories in the Saturday Eve-
ning Post immediately after Te-
heran dwelt heavily on the fact
that Roosevelt decided to cast his
lot with the Russians. If correctly
interpreted, that decision has now
backfired.

SHE WASN'T FROM
MISSOURI

Kate Smith was so excited
she lost her hat and almost
forgot her gloves when she
called at the White House to
launch the Community Chest
drive and to give President
Truman the original copy of
the Community Chest's new
march, "The Red Feather".
It was composed by Major
George Howard of the Army
band, who accompanied her.

"Gee, it's great to be home
again, Mr. President," said
Miss Smith once she got to
the White House, gloves and
all. "You know, I am a na-
tive Washingtonian."

"Well, I'm mighty glad to
hear that," grinned Truman.
"It's a rare occasion when
you find a native Washington-
ian in Washington any more.
They tell me about everybody
here is from Missouri."

NAZIS ARE STILL NAZIS

Col. Bernard Bernstein, ex-fin-
ancial adviser to General Eisen-
hower at SHAEF, has just re-
turned from his first tour of Ger-
many since he retired from the
Army. Bernstein, who strongly
urged denazification of Germany,
talked with many Germans in Ber-
lin after Secretary of State
Byrnes' Stuttgart speech in which
he pledged a reunited Germany.
Bernstein reports that Nazis are
still Nazis.

MERRY-GO-ROUND

Credit the army with a forth-

Letter to the Editor

Dear Editor:

Recently a newcomer in my
hearing said, "Of all communities
I know anything about, Campbell
is the dearest." The speaker
seemed to have in mind organized
efforts in community promotion.

Now, as a standing civic group,
we have Campbell Chamber of
Commerce. In minds of most peo-
ple this name means chiefly pro-
motion of business. The symbol
is not sufficiently inclusive.

Originally our Chamber of Com-
merce was Campbell Improvement
Club. As such some of its leading
spirits were women, the same wo-
men who helped to make Campbell
Country Woman's Club such a live
organization. The name was
changed to accommodate a Coun-
ty Consolidated Chamber of Com-
merce which long since died.

Suppose Campbell Chamber of
Commerce remains as it is to im-
press our County Supervisors and
Planning Commission and any
other outside powers. But for civic
life in a strictly community sense
suppose there be reorganized the
Campbell Improvement Club.

To start it off with something
strikingly unique, exclude all per-
sons believed to have political as-
pirations. The Improvement Club
will be a non-political body. For
goodness sake—literally—keep it
from being used for political ob-
jectives. Thus will be excluded
John D. Blaine as a matter of
course, and perhaps two or three
others. We politicians will be hurt,
naturally, but let us cry out loud
in vain.

With the foregoing unique as-
set Campbell Improvement Club
should be a success from the start.
In fact, so conventional is political
use of non-political bodies that
Campbell Improvement Club may
leap by one act into national fame.
Thus our community will be wide-
ly advertised—an achievement of
no mean size in itself.

Admitted that some of the fore-
going is very original indeed, but
I'm one of those who believe that
the world of invention is never
used up.

JOHN D. BLAINE,
Campbell Politician.

ALL DAY FESTIVAL OF
FOLK DANCING, SUNDAY

All of San Jose's dance loving
people are invited to pack the Civ-
ic Auditorium on Sunday, Nov. 17,
when the San Jose Polkateers and
the San Jose Adult Center are the
hosts to the Bay Federation of
Folk Dancers.

Nearly eight hundred dancers
are expected from San Francisco,
Oakland, Berkeley, Palo Alto, and
all other Bay communities. These
festivals are among the gayest and
most colorful held in these days
and are attended by thousands of
spectators. Admission to auditor-
ium will be free and spectators
may come and go as they wish.
Dancing will be from 1:30 to 5:30
in the afternoon, and from 7:30
to 10:00 o'clock in the evening.
The Spartan Spinners will be co-
host with other organizations to
the dancers in the men's gymna-
sium at State College.

A WASTED LIFE

He patterned his life after knights
of old,
He wished to be a hero bold.
To slay the dragon and save the
maid
From a tower high as he scorned
all aid.
He'd be one of King Arthur's men
And ride to battle again and
again,
Returning victorious, hailed as
the one
Worthy to be a god's own son.
Loved by the people in all the land,
Picked by the King to lead his
band,
And the chosen one of a lady fair,
Whose beauty, of course, was be-
yond compare.

But as he grew up he dreamed no
more
And ran a village grocery store.
Married the butcher's daughter,
Nell,
Who produced more children than
he could tell.
And when he had a heroic feeling
He'd spit tobacco at flies on the
ceiling.
—Mary Lynne Thompson.

LOW 7th CLASS

In Social Studies, Miss Bremer's low 7th class is studying the Eastern States' Early Colonies. They have just completed studying the early explorers of North and South America. This room is divided into three groups that are taking certain Eastern States, middle colonies, and the southern colonies, and finding the most important facts and putting them into story or play form.

—Jeanne Richardson.

MISS RYAN'S CLASS

Miss Ryan's class is studying ancient Babylonia. Each one in the class is telling tall stories and having fun in doing so.

They did not have a Halloween party, but are waiting for Christmas or Valentine's Day.

They would like to plan a trip to the Egyptian museum some time in the near future.

The children are going to draw pictures in art and show them to each other.

—Don Countryman and Raymond Miranda, High 8th.

LOW 8th GRADE

Mrs. Sourisseau's low eighth grade is studying percentages and doing it by bingo because it gives the children an easy and interesting way of doing their arithmetic. They are also studying colors and putting them on paper. They are very interesting and nice looking.

—Donald Call and Benny Romano, High 8th.

KINDERGARTEN NEWS

The new section of kindergarten is getting under way. There are two classes that are now meeting in the Scout Hall. They are Miss Metzger's low fifth grade and Mrs. Saver's high fifth grade.

The Santa Clara County principals met in the Campbell Grammar School cafeteria on Tuesday, Oct. 22. Plans for the year's problems were discussed.

—Barbara Romano, High 8th.

LOW THIRD GRADE

Mrs. Ingram's low third grade is studying about Mexico. They are making books, Mexican hats, and baskets. They have made posters and have drawn many pictures about Mexico. The children are very enthused about this unit of work.

—Umbert Denice, Low 8th.

FARM NEWS

AGRICULTURAL EXTENSION SERVICE

KEEP THEM GAINING

Producers of high grade beef are being financially rewarded. The wise cattleman will strive to produce better steers because demand for good quality beef is great and the supply is small.

Steers should be fed for continuous gains at all times. Sedgley Nelson, extension specialist in animal husbandry, explains that steers fed supplements on the range and finished in the feed lot will consume less total feed than those which lose weight on poor range and are finished entirely in the feed lot.

Molasses is an excellent alternative for grain concentrates if they are high in price and hard to obtain. A mixture of molasses and chopped wild hay or grain hay, containing 15 or 20 per cent molasses, fed with a little cake should produce a daily gain of one to one and a half pounds for each animal through the winter.

Finishing of cattle on irrigated pastures and meadows by supplementing with four or five pounds of barley per day or its equivalent is a very economical way to produce finished beef. This may eliminate necessity of finishing in the feed lot.

Further information on this subject may be obtained from M. S. Beckley, local Agricultural Extension Service Assistant Farm Advisor at 201 Post Office Building, San Jose, call Columbia 3866.

AGRICULTURAL EXTENSION SERVICE HAS RADIO BROADCAST

The local Agricultural Extension Service office is now "on the air" on Monday, Wednesday, and Friday at 12:45 p. m. over KSJO on the Farm Advisor's program.

L. C. Barnard, farm advisor; G. D. Worswick, assistant farm advisor; M. S. Beckley, assistant farm advisor; G. D. Shambrook, assistant farm advisor; and Mrs. Winifred Jecker, home demonstration agent, will participate in these programs. Mrs. Jecker's program will be heard every Monday at 12:45 p. m. for the 15-minute program. The farm advisor's program will be broadcast directly from the office at 201 Post Office Building, San Jose, where Station KSJO has set up a separate functioning system connected directly with the station. All material used on these programs will

Campbell Court Notes

By JUDGE BLAINE

Last week a traffic officer started to give a double parked citizen an official traffic warning. The citizen became angry and impertinent. In the argument that ensued the officer changed his mind, arrested the citizen and gave him a double parking citation.

The citizen brought the citation to court, where the judge found that the officer had written, "Claims he can have the ticket fixed. Says it will not cost him anything."

In imposing the usual dollar fine the judge laughed. In paying the fine the citizen laughed, too, and admitted he had been wrong. Still the incident was no laughing matter.

This officer and the judge had discussed the double parking problem in Campbell and as a result the officer had decided to experiment with warning notices when the double parking was brief and seemed partly excusable. For this special effort to be fair the officer had been rewarded with anger and impertinence.

The incident helps us to understand why fair treatment in law enforcement is difficult to make a habit. Grown up children tend to spoil it. And this grown up childishness isn't a new thing. It was 20 years ago that a celebrated American psychologist wrote, "Adult-infantilism is our chief deficiency as a people, our most conspicuous national shortcoming."

Recently The Saturday Evening Post had a book condensation on the same general theme, blaming adult childishness somewhat on over-indulgent American mothers.

Perhaps a child of any age—especially a grown up child—should be treated as a child. Perhaps the time is not far off when a judge will be permitted to give an impertinent grown up son a choice between a fine of so many dollars or the same number of hearty spanks—leaning the defendant over the judicial bench and using a heavy paddle.

GUIDE DOGS AND 4-H CLUBS

California 4-H Club members are now rearing 60 per cent of the guide dogs from the kennels of Guide Dogs for the Blind, Inc., a charitable organization supplying dogs free for blind people.

Director B. H. Crocherson of the Agricultural Extension Service, State 4-H Club leader, announced the guide dog project as a citizenship endeavor to senior 4-H Club members ten months ago. Since that time 33 of the 4-H Club members have taken German shepherd pups to rear. Some of these are now being returned to the kennels at Los Gatos for training.

The pups are sent to 4-H Club members as three months of age. Country conditions are favorable to the development of the pups for the purpose they are intended. At nine months of age they are re-

turned to the kennels for training. Veterans are given preference in placing of the dogs.

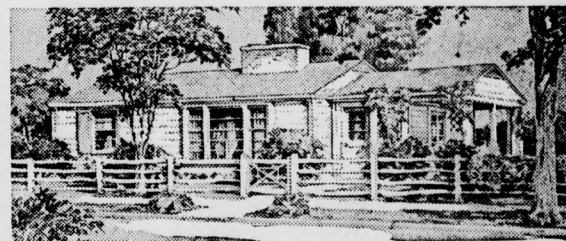

"Mrs. Holler's report that 60 per cent of the guide dogs from the Los Gatos kennels are now being grown out by 4-H Club members justified our confidence when this project was set up in the beginning. These 4-H Club members understand animals and they have a just pride in helping people who have been so unfortunate as to lose their sight."

Measuring the needs of tomorrow with a

\$160,000,000 YARDSTICK

Men and machinery are at work in nearly every section of Northern and Central California on P.G. and E.'s long-range construction and improvement program.

The Company is spending \$160,000,000 in a three-year expansion program, largest construction undertaking in its history. We served the excessive wartime load; we are meeting the great postwar industrial expansion; and now we are building to serve the even greater California of tomorrow.

Here is a true yardstick of business progress—\$160,000,000 going to work in many communities—in your community. It will provide electric power to drive more machines, to produce more work, to permit more industrial and commercial expansion, and to serve a rapidly growing population with dependable power at lowest rates.

This vast program is more than a stockpile of work built up during war years. It is a long-planned, long-range program in a continuing policy of building ahead to measure the needs of tomorrow.

New power projects in the construction program will add more than half a million horsepower to your electric company's interconnected transmission system. Thus, P.G. and E. will give Northern and Central California a power pool of 3,109,636 horsepower by the end of 1948—one of the largest reservoirs of electric power in the world!

HOUSEHOLD MEMOS... by Lynn Chambers

SANDWICH MAGIC

Sandwiches, those mighty American favorites, are a wonderful food for lunches, snacks or entertaining. To think that two slices of bread with a delectable filling can contain so many foodstuffs good for health is indeed a great achievement.

Almost any type of filling may be used, depending upon the use of the sandwich. There is no limit on the type of bread to be used, either, and buns are often used to great advantage in ham or cheese sandwiches, or soft-filling sandwiches.

Probably the most popular use for the sandwich is as a snack or a lunch box item, but there are daintier types to use with salad for entertaining.

Here are several interesting types of fillings that go well with school lunches. All the recipes make enough for several sandwiches, and fillings may be kept in a jar or covered dish in the refrigerator so they will last.

POTATO SALAD FILLING

1 1/2 cups diced cooked potatoes
2 hard cooked eggs, minced
1 sweet cucumber pickle, minced
1/2 teaspoon chopped onion
Salt and pepper to taste.
Mayonnaise

Combine potatoes, eggs, pickle and seasonings. Moisten with mayonnaise to a spreading consistency. Use for white or whole wheat bread.

DEVILED PEANUT BUTTER

1/2 cup deviled ham
1/2 cup peanut butter
2 tablespoons chopped pickle
Mayonnaise

Combine peanut butter, ham and pickle. Season to taste and moisten to spreading consistency with mayonnaise. This is got to with a graham or dark bread.

EGG AND CELERY FILLING

4 hard cooked eggs
2 dill pickles, chopped
1 tablespoon vinegar
Salt and pepper
1 cup diced celery
1 tablespoon minced onion
3 tablespoons mayonnaise

Separate yolks and whites. Chop whites and combine with celery, pickles and onion. Mash yolks and add vinegar. Combine with first mixture and add mayonnaise. Season to taste.

LIVER FILLING

1 pound liver sausage
4 tablespoons chili sauce
1 cup celery, chopped
2 tablespoons melted butter or substitute

LYNN CHAMBERS' MENUS

Scalloped Ham and Notodles
Green Peas
Cabbage-Carrot Slaw
Graham-Nut Bread Beverage
Pineapple-Chiffon Pie

Mash liver and add remaining ingredients. Season to taste. Use on white or rye bread.

SALMON FILLING

2 cups shredded red salmon
1 cup chopped green pepper
1 cup mashed potatoes
1 cup chopped cucumber pickles

Salt and pepper

Mayonnaise or salad dressing
Combine all ingredients, season to taste and add enough mayonnaise to make of a spreading consistency. Use with white or whole wheat bread.

TUNA FISH FILLING

1 cup shredded tuna fish
1 cup finely chopped tomato
1/2 cup diced cucumber
1 teaspoon minced onion
Salt and pepper
Mayonnaise

Combine all ingredients, season to taste. Add enough mayonnaise to thin to spreading consistency.

RAISIN-HONEY FILLING

1 cup chopped or ground raisins
1/2 teaspoon salt
3 tablespoons honey
1/2 cup chopped nuts
1/2 teaspoon lemon juice
1 tablespoon mayonnaise

Mix all ingredients together and use as a filling between thin slices of brown or white bread.

CHEESE-MARMALADE FILLING

1/2 cup grated American cheese
1/2 cup orange marmalade
1/2 cup cream
Prepared mustard

Combine cheese and cream, then add marmalade. Spread on bread with a thin film of prepared mustard.

When you serve sandwiches for entertaining or with salads, the open-faced variety are very popular. Use only very fresh bread, thinly sliced and buttered. Here are spread suggestions:

MUSHROOM-HAM

Cover with thin slices of boiled or baked ham with mushrooms which have been peeled and halved. Broil until the ham is browned delicately and the mushrooms are soft.

PIMIENTO TOPPING

1 teaspoon cornstarch
2 tablespoons butter or substitute
1 cup diced cheese
6 tablespoons milk
1/2 cup chopped pimiento
Salt and pepper
2 tablespoons pickle relish

Combine cornstarch and milk. Add cheese and butter. Cook in a double boiler until thick and smooth. Season to taste and cool. Add pimiento and pickle relish. Spread on thin, buttered slices of bread and serve at once.

TOMATO-EGG TOPPING

1 cup minced onion
1 cup canned tomatoes or juice
1 cup minced bacon
6 eggs, slightly beaten
Salt and pepper
Fry bacon until crisp. Add onion and brown. Add tomatoes and season to taste. Add eggs, cooking slowly, stirring constantly until whites are firm. Serve on toast.

CUCUMBER TOPPING

1 medium cucumber
4 hard cooked eggs, chopped
1 teaspoon minced onion
Mayonnaise
Salt and paprika
Peel cucumber and slice lengthwise. Remove seeds and chop fine. There should be about 1 cup pulp. Add onion and eggs, moisten with mayonnaise to spreading consistency. Season to taste and spread on buttered slices of bread. Garnish with paprika.

High railroad freight rates in 1893 caused farmers to ship more and more of their produce via river steamer and barge.

Campbell Graduate Claims Bride

St. Joseph's Church in Cupertino was the recent scene of an afternoon wedding at which Peter S. Citta, son of Angelo Citta, and a graduate of Campbell Union High School, claimed as his bride Miss Frances P. Chovaro, daughter of Mr. and Mrs. Ciro Chovaro.

Performing the ceremony before an altar decorated with white chrysanthemums and gladioli was Rev. P. J. Galvan. Given in marriage by her father, the bride was attired in a white satin gown styled with a sweetheart neckline. Her full-length tulle veil was edged with lace made by her mother and she carried a bouquet of white gardenias and orchids with bouvardia streamers.

The bride's two attendants were Miss Margaret Davis, maid of honor, and Miss Marie Cefalu, niece of the bridegroom, who was the bridesmaid. Miss Davis was gowned in blue taffeta and net and wore a sweetheart hat. Her bouquet was fashioned of pink gladioli bordered with blue net. Miss Cefalu wore pink net and carried blue gladioli edged with blue net.

Joseph A. Anello was best man, and ushers were Fred, Salvador and Vincent Anello.

A blue suit with black accessories and an orchid was the choice of the bride's mother for the wedding and the reception which followed at the San Jose Woman's Club. All white flowers were used for the decor at the reception and guests danced to the music of Paul Putnam's band.

Before returning to make their home in San Jose the young couple honeymooned in Southern California, Catalina Island and Mexico. The bridegroom has just returned from 38 months of overseas duty with the U. S. Army.

NEW RESIDENTS

Being welcomed in Campbell as new residents are Mr. and Mrs. Harold Olson and three of their four children who are now at home at 183 Winchester Road. Minneapolis was the former home of the Olsons, and one of their children is now in Waverly, Iowa.

Local Man Claims Santa Rosa Bride

Wedding vows were exchanged Sunday, Nov. 3, at St. Lucy's Church in Campbell when Francis William Smith of Campbell and Miss Peggy Cooper of Santa Rosa were married by Father Gunther of Alma College in a double ring ceremony.

The bride, who came down the aisle on the arm of her father, Mr. Leslie F. Cooper, wore a white velvet gown with train and fingertip length veil, and carried her bridal flowers of gardenias and orchids. Serving as maid of honor was Mrs. Geradine Cordiro, who wore a yellow gown and carried a heart-shaped bouquet of carnations. Acting as bridesmaids in blue were Miss Mary Simmons and Miss Dolores Smith with identical heart-shaped nosegays of carnations.

The bride's mother, Mrs. Leslie F. Cooper of Santa Rosa, wore a gold colored suit with black accessories, while the mother of the groom, Mrs. Fred Smith, wore a black suit with white accessories, both mothers wearing corsages of baby orchids. Serving as ushers were Tom Smith Jr., and Stephen Ridgley Jr.

For the ceremony the church was decorated with white chrysanthemums and gladioli backed by green ferns. Following the exchange of vows a reception was held at the Montgomery Hotel in San Jose, after which the young couple left to spend their honeymoon at Catalina Island.

The new Mrs. Smith is the daughter of Mr. and Mrs. Leslie F. Cooper of Santa Rosa, and attended the local schools in Santa Rosa. The last two years she has attended San Jose State, where she is a member of Delta Beta Sigma sorority.

The groom is a native of Campbell and attended San Jose State College before entering the armed services, where he spent three years as a Navy pilot and saw active service over Okinawa. Since his discharge from the service he has returned to San Jose State and both he and his bride intend to continue their college work.

Stork Is Busy

The busy stork has made many visits to Campbell families recently. Among the new parents are Mr. and Mrs. Henry R. Robertson whose daughter, Nancy Jeanne, was born Nov. 2 at San Jose Hospital.

A baby girl was born on Oct. 30 to Mr. and Mrs. Clarence Leeland Jetton of 191 Dillon Ave., at O'Connor Sanitarium. She has been named Mary Anita.

Also born on the 30th at O'Connor Sanitarium was Judy Ann, who is being welcomed by her parents, Mr. and Mrs. Arthur Fantozzi of Route 2, Box 734.

Two boys and a girl arrived at O'Connor Hospital on Oct. 26. Mr. and Mrs. Fran Newton Johnson, 162 W. Latimer Ave., are the parents of the girl who has been given the name of Carol Lynn.

Paul Kurt Alfred is the name given to one of the boys whose parents, Mr. and Mrs. Lawrence Vollele, live at 195 S. Winchester Road. The other boy is the son of Mr. and Mrs. Carmen Richards, and has been named Earl Warren.

ENGAGEMENT PARTY

Two well-known local boys, "Woodie" Tate and Walton "Curly" Jones, celebrated with an engagement party Sunday evening at Johnny's Place. Woodie Tate announced his engagement to Miss Jessie Shrum, while Curly Jones and Miss Bessie Riley discussed plans for the future.

BABY BORN TO EX-CAMPELL GIRL

The many Campbell friends of Mrs. Mark B. Thompson, the former Gladys Larson, will be interested to learn that she and her husband are the parents of a baby girl born Nov. 1 at Los Cruces, New Mexico. Christine Mitchele is the attractive name chosen for the little lady who weighed six pounds and 14 ounces.

This is the first grandchild for Mrs. Thompson's parents, Mr. and Mrs. Fred Larson, of Campbell Ave. Mrs. Larson left three weeks ago to be with her daughter and will bring back a first-hand report of the baby soon. The new arrival has a paternal grandmother also who lives in Florida.

UNUSUAL PARTY GIVEN

Mrs. Raymond Flagg and Mrs. Earl Buck were joint hostesses at the home of the latter Saturday evening at a hilarious "Backward Party". For the occasion the women guests dressed as men and the men as women; the back door instead of the front door was used and every possible procedure was reversed to make the party an amusing and unusual affair.

Parents Entertained At Lou's Village

Mrs. Jeanne Mcvea recently entertained her parents, Mr. and Mrs. C. W. Hensley at Lou's Village on the occasion of their 99th wedding anniversary. Also present at the party was Mrs. Mcvea's sister, Dr. Maurine Rogers of San Jose. For the occasion the table was decorated with red and white carnations and ferns and two white satin hearts reading "Charles and Clara. Best Wishes." During the affair the anniversary couple were interviewed over the radio and Mrs. Hershey won the jack pot question which awarded her a gold compact.

RETURN FROM EASTERN JAUNT

Mr. and Mrs. Harvey Sheeder and their two children, Judy and Bill, returned Saturday from a six weeks' tour of the East, where they visited Mr. Sheeder's family, and then swung down to Florida to visit Mrs. Sheeder's sister and husband, Mr. and Mrs. Harry Brubaker, who have many friends here as a result of their extended visit last winter.

The Sheeders will move into their new home in the Loma Vista tract in the very near future.

ATTENDS DINNER PARTY

Mrs. David Sanders was among the members of the Red Cross Motor Corps who attended a dinner party last week at Lou's Village honoring the retiring chairman of Volunteer Special Services in the San Jose Chapter of American Red Cross, Mrs. H. Seymour Kittredge. Mrs. Sanders has been an enthusiastic and conscientious member of the Corps for several years.

FATHER AND SON BANQUET POSTPONED

Cub Pack No. 9 committee met on Wednesday night, Nov. 6, in the home of Mr. and Mrs. E. Dazell, to discuss coming events for the Cubs.

The Father and Son banquet has been postponed until Jan. 9, 1947, at which time the Women's Guild will take over and feed the boys and their fathers.

The Pack is having a rummage sale in the Congregational Church on Nov. 14 and 15 from 9 a. m. till 5 p. m. The public is cordially invited to help the boys in making this a financial success.

Thursday, Dec. 19, the Pack will have their annual Christmas party. Further plans for this night will be announced later.

The next coming Pack meeting will be Thursday night, Nov. 21, at 7:30. Parents are urgently requested to attend.

Members who attended the committee meeting were: Mr. Robert Carlson, minister of the Congregational Church; Mr. and Mrs. Carl Franzen, Mr. E. Merrill, Mr. and Mrs. Stubby, Mr. and Mrs. E. Dazell, Mrs. Irene Hodges, Mrs. Blanche Gilpatrick, Mr. Ledum, and Mr. Finley.

CELEBRATES 24TH ANNIVERSARY

Mr. and Mrs. T. M. Bohn of Hazel Ave., celebrated their 24th wedding anniversary Wednesday with breakfast at Lou's Village. Mrs. Bohn, the former Helen Crowe, attended Campbell High School. On Sunday, the 17th, the anniversary couple will be guests of their cousin, Fred Crowe at the football game between St. Mary's and Santa Clara at Kezar Stadium. Mr. Crowe is on the St. Mary's team. Mr. and Mrs. Bohn are the parents of eight children.

MOVE TO MOUNTAINS

Mr. and Mrs. Niel Sellers have sold their Milton Ave. home and purchased another in the Santa Cruz Mountains on the Bonny Doon Route. They are enthusiastic about the new location and have big plans for the surrounding five acres.

NE-TOPS COUNCIL HAVE OFFICIAL VISITOR

Ne-Tops Council, Degree of Pocahontas, held their regular bi-monthly meeting on Friday night, Nov. 9, in the IOOF Hall, with Sharon Parker, Pocahontas, presiding. Zone Chief, Stella Eli, paid her first official visit and complimented the Council on its progress. The Council was highly honored to have their Zone Chief attend their meeting.

Brother and Sister Jim White trailed to Ne-Tops again to assist with the drill team. Brother White called for a special drill to be Sunday, Nov. 17, in the IOOF Hall at 1 o'clock.

On the guest list were Sisters Maria Casourang, Beatrice Glaze, and Margaret Glaze, all of Tawonqua Council of Palo Alto.

Scouts Camp At Quarry

By Dudley Herschbach
Scout Reporter

Advancement was the primary object of an overnight camping trip by the Panther Patrol of Moreland Troop 36 to Graystone Quarry last weekend. Graystone Quarry is just off the Almaden Road near Robertsville, and the rock used for the Stanford Memorial Chapel was quarried there.

The Scouts planned on passing some of the requirements in their advancement program, but there were too many other things to do, such as playing stalking games, exploring caves, having mock commando fights and the like. So camping and cooking skills were neglected in favor of just plain fun! (At least that's what they tell me. I'm not one of the Panthers, so I wasn't along.)

Ted Robinson, assistant Scout-Executive, visited the campsite with P. Herschbach, who provided the necessary transportation. But the Scouts were "on their own". Since it was a Patrol hike no adult leaders attended and Bobby Sunzeri, Patrol leader, had complete control. The other Panthers are Neil Phillips, Harold Toy, Allan Rogers, Edwin Weisendanger and Burton Weisendanger. Harry Pankoski, Junior Assistant Scout-master, also camped with the Patrol.

THE CAT FIGHT
Twas war, on the fence in our back yard.
Twas war, and the fighting was long and hard.
Two brave gallants the warriors were.
Their fame has flown, and so has their fur.
One's eyes were yellow, the other's green.
Their ears were torn, and they're terribly mean.
Twas a fight to the death! No compromise.
Blood ran that night 'fore Milady's eyes.
Their cries increased and the night was new.
But I conked the victor with a well-aimed shoe.
—Mary Lynne Thompson.

CHRISTMAS BAZAAR

The annual Christmas bazaar sponsored by the Woman's Guild of the Campbell Congregational Church will be held Tuesday afternoon, Dec. 3, from 2 to 5, in the parlors of the church. Tea will be served during the afternoon, with Mesdames Stanley Smith and William Burnett as hostesses.

White fog blankets average about 1700 feet thick.

Moreland School Notes

Nov. 5, 1946.
On Hallowe'en, last Thursday, the 7th and 8th grades had their first party of the year. The PTA sponsored the party, as a reward to the class having the most parents present at the October meeting.
Last Friday the Moreland lightweight played Cambrian, losing the game, 10 to 21.
Today (Thursday) our basketball team lost to Saratoga, 14 to 2. What we lost was made up by good sportsmanship.
Tuesday, Nov. 5, was election day. All the students brought their lunch because the cafeteria was being used by the voters.
Last Wednesday we gave a play for the PTA, which was the second meeting of the year.
On the 16th of this month the Moreland PTA is giving a card party. Prizes will be awarded and a door prize too.
—Marie Battaglia.

Grand Jury Deplores Jail

The County Grand Jury has recently filed a report on the conditions of the County Jail as have other grand juries for the past ten years. V. H. Matthews, foreman, says that their report is a plea for action on the part of all civic-minded County people. He says: "We can think of no more appealing project for our Service Club, the PTA, the Ministerial Association or fraternal orders and similar groups than an immediate and concerted drive to arouse and crystallize public opinion to demand a complete reformation of this situation. This Grand Jury is powerless to do more than investigate and report the facts. It is up to the people of the valley to decide whether these facts shall simply join previous reports in dusty files, or that they shall serve to make our investment in human relations pay dividends in rebuilt self-respect and independence for those who have fallen."

Inspected by members of the Law Enforcement Committee as well as other members of the Grand Jury, the report reads: "Like all other Grand Jury Committees of the past decade, we found the jail to be an old, outmoded, dilapidated building of some 70 to 80 years of age, erected when this County was celebrating the boom of the horse and buggy era. A palatial bastille at that time perhaps, we now find it has become a structural antique, a fit historical landmark indeed, but certainly not an example of a modern, progressive, expanding county as we have today. We feel that we can and must relegate our present jail to some museum as a souvenir of Santa Clara County's colorful past. It is no longer a simple disgrace and a prime example of short-sighted economy and public administration; it is a tragedy—deplorable and inexcusable. It would be a pleasure to point out our present jail as a mere replica of our County's early law enforcement era; as a mere uninhabitable, old, brick, barnlike edifice, some parts of which would be unworthy as a pigsty. Indeed, we must, with a feeling of guilt, admit that we still use the jail as a place of enforced habitation for an unfortunate segment of our local people.

"There is practically a total lack of administrative facilities and definitely no central records section. Poor tools make for poor work, and thus our lack of office and file space helps create an inefficiency in the administration of the jail. Modern police methods are detailed and intricate in order to combat modern crime, and they require up-to-date office facilities and equipment.

"There is no segregation of the various types or ages of law violators in our jail, because that is impossible. It is the same jail in which cattle rustlers, horse thieves, brigands and renegade Indians were housed 75 years past. A youth, in jail for the first time, may be thrown into the same big tank with brutal criminals, burglars, sex perverts and vagrants of all descriptions. In other words, modern treatment and penal methods cannot be applied to law violators in our present jail.

"Adequate facilities for the necessary short detention of those mentally ill do not exist, nor do we have a fit place for juveniles who prove too incorrigible for the detention home. In fact, the only facilities which are adequate are those which house the cockroaches.

"The Board of Supervisors are to be severely criticized for failing to cooperate with previous sheriffs, for failing to supply such basic items as kitchen equipment, tables and cutlery. It is a matter of public record that sheriffs, in the name of humanity and common decency, have been forced to supply such equipment from their personal funds; and we must add that even food has been bought for prisoners by the sheriff himself. Our County certainly does not believe in pampering prisoners but instead, incarcerates them practically without light or air in surroundings impossible to condone.

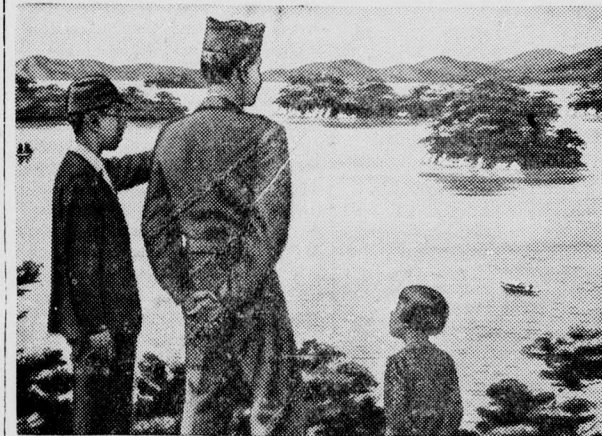

"It is essentially possible for a violent and major epidemic of contagious disease to originate and spread from the present County Jail, and thus endanger the public health of Santa Clara County. Disease, be it bacterial or mental, originates in filth. Such is our present County Jail.

"Nevertheless, the local newspapers recently offered some encouragement by reporting that a few much needed repairs and materials for the cleaning up of the jail, at least temporarily, had been authorized. The public is aware that this should have been done years ago, and ironic as it may seem, the aforementioned equipment is being purchased from our last elected sheriff.

"We can find no excuse whatsoever for the Board of Supervisors not proceeding with the construction of a new jail. It is a foremost need of the County today. We repeat, our present jail is unsanitary, inadequate and inexcusable; it is a medieval masterpiece but a modern shame and disgrace to this County. The fact that jails are used to house law violators has little or no bearing on the case. Offenders of the public code must be helped and corrected, and it is everyone's civic responsibility to see that this is done. Santa Clara County is now witnessing a program of expansion and progress which promises a bright and prosperous future. Law enforcement must lead—not lag or hinder this development."

How 23,000 new jobs were born

To grow with the West . . . to build and maintain the finest possible telephone service for you . . . a good sized army of men and women is already at work, and more are pitching in every day. In the last five years, we have added more than 23,000 new employees—our total force is now more than 63,000.

It is our purpose to provide telephones for everyone who is waiting just as rapidly as we can and to build an ever-expanding, ever-improving service for the West. Our gross plant construction will aggregate \$130,000,000 for this year and, as now visualized, it will exceed \$200,000,000 for 1947. It's a big job, but you can be certain we're going ahead fast.

Today, telephone calls on the Pacific Coast have reached a record high of 17,400,000 a day, and until we can get and install all the equipment we need there will sometimes be delays in service. We want you to know we will do our utmost to keep them at a minimum and to hurry the day when service will be even better than ever before.

An ever-improving telephone service at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.

with Susie Shopper

By LOUISE TORDT

There are good looking Loch-shire and Loch Intyre all wool scarfs at Benson and Jeffers in plaids of brown and yellow, blues, and maroons. Tie and handkerchief sets with matching designs and figures more unusual than ever will appeal to both men and boys. Men's cotton underwear in both uppers and shorts are also available.

Some mighty useful corduroy suits with slacks as well as skirts should catch the eye of mothers with daughters. They are sturdy and well made in red, green and brown. Some darling six months to three-year dresses are also on display at The Dresser Drawer. The loosely knit handmade baby sweaters and booties, as well as the soaker rompers for boys would make useful gifts.

Mother and daughter would be mighty proud to have matching robes to be found at Rachel's. In red, pink, blue and aqua these robes are smart looking with embroidery trim on the collar and cuffs. The daughter robes come in sizes up to six.

At the Campbell Hardware you may find a number of useful articles for your kitchen. Egg beaters with convenient side holders are a decided improvement over the old style. New electric irons are thin and light and should please anyone on ironing day. The large heavy skillet which may be used for frying, steaming or roasting as well as the pyrex coffee pots should be found in every well equipped kitchen.

Cosmetic companies seem to be trying to do outdo each other this year in original ideas for Christmas sets. You should see Coty's Christmas line now in the show case at Clark's. One box contains skis mounted on snow with a bottle of perfume tied to each ski. Another box has a sleigh on snow with two bottles of cologne in the sleigh. Each set is attractively designed with bright colors and original ideas. The sets come in every imaginable combination and you can't go wrong with Coty products.

A number of interesting and different looking pitchers have arrived at The What Not. A large green glass pitcher with a fluted top is unusual looking. The blue and pink glass pitchers come in different sizes—any would be an addition to your table. Also in blue glass is a pound bon bon dish which you won't be able to resist. If you haven't purchased your Christmas cards, do so soon. The What Not has opened a room just for them.

Veterans
News

An average of 175 undeliverable subsistence checks a day are reported coming back to the Veterans Administration's San Francisco office because latest addresses of veteran students and on-the-job trainees are not listed with VA.

Unlike ordinary mail, government checks are not forwarded to a new address but are returned to the sender if the recipient no longer lives at the place given.

The VA is urging all veterans receiving subsistence payments to report changes of address immediately to aid in prompt check delivery.

Question: I have just been discharged from the service and have been unable to find a vacancy in a school I wish to attend. If I don't go to school until next February or next fall, will I lose part of my eligibility time?

Answer: No. If you are eligible at all, you have until four years after discharge or termination of the war, whichever is later, to begin using that eligibility. The program will continue for nine years after the war is officially declared ended.

Q: I am a veteran taking a regular apprenticeship training which will run for four years. Will the new law, which sets standards for on-the-job training, limit my training to two years?

A: No, it does not, if your course of training is recognized as apprenticeship by the State approval agency. The limitation of two years only applies to on-the-job training programs other than apprentice training.

Q: Is it true that the new law sets a ceiling on how much a veteran can earn while in school or training under the Servicemen's Readjustment Act?

A: No. There is no ceiling on wages or salary paid to a veteran by an employer. The limit set by the new law simply mean that when the veteran's income reaches that figure—\$175 a month without dependents or \$200 a month with dependents—the VA will not pay any subsistence to the trainee or student.

Q: I served in the WAVES during the war. Will the Veterans Administration provide me with dental care?

A: If your dental condition is service-connected, you are entitled to treatment.

Starring Henry Fonda, Linda Darnell and Victor Mature, and directed by three-time Academy Award-winner John Ford, whose "Stagecoach" was acclaimed as a new high in movie westerns, Darryl F. Zanuck's presentation of "My Darling Clementine" is scheduled to open Sunday at the Campbell Theater. The Twentieth Century-Fox film, set in the colorful period of the 1880's in the Southwest and based on actual historical incidents, unfolds one of this country's most exciting chapters of flaming hate, violence and romance.

In his newest role, Henry Fonda returns to the type of part with which he won such memorable successes in "Jessie James", "The Return of Frank James" and "The Ox-Bow Incident". "My Darling Clementine" presents him as the fabled Wyatt Earp, the gun-fighting marshal who cleaned up Dodge City, Wichita and Tombstone. It is in the latter place that Earp scored his most spectacular triumph which is, in essence, the story of "My Darling Clementine."

Beautiful Linda Darnell's role of Chihuahua, the fiery cafe singer, is said to be her finest to date, a role in which she has surpassed her performances in "Anna and the King of Siam", "Fallen Angel" and "Hangover Square". It is primarily as a result of this performance that Linda was awarded the coveted title role in the forthcoming "Forever Amber".

Victor Mature in the role of "Doc" Holliday has a part which opens new vistas for him as a western star. As a steely, hard, enigmatic gunman, utterly reckless with his life, Mature is given generous opportunity to display his outstanding acting versatility.

It is around the three characters portrayed by Fonda, Miss Darnell and Mature, along with the vicious, cattle-rustling Clanton family headed by Walter Brennan, that the action-packed story revolves. But gun-fighting, madly careening stage coaches and the battle to bring law and order to Tombstone are supplemented in "My Darling Clementine" with a stormy romance between Victor Mature and Linda Darnell, as well as a more leisurely courtship of Cathy Downs by Henry Fonda. Miss Downs plays the title role of "Clementine", a role which is bound to bring her star status with the release of the picture. Tim Holt, one of the screen's most popular western stars, also plays a featured role in the film.

THANKS VOTERS

Howard Hornbuckle, successful in his campaign for election as Sheriff of Santa Clara County, today extended sincere thanks to all the thousands of citizens who aided him in his campaign for Sheriff of this County.

Hornbuckle, the first FBI trained man to seek and gain the Sheriff's post in this County, stated "My sincere thanks and heartfelt best wishes go to the many fine people of this County who supported my campaign."

"I shall do my best to justify the confidence expressed by your vote of Nov. 5," concluded Hornbuckle, who will succeed the present Sheriff, Walter Gaspar, on Jan. 1, 1947.

MOUNTAIN FOR SALE

Wanta buy a pint-sized mountain?

The Regional War Assets Administration is offering to sell a hill-sized quantity of magnesium residue located near the Permanente Metals Company plant at Manteca.

But this mountain—well, you gotta take it with ya, within two years.

It consists of magnesium oxide, calcium oxide, silica, iron and aluminum oxide and sulphuric anhydride—resulting from the production of magnesium metal.

It forms a pile approximately 500 feet by 300 feet by 30 feet, and is estimated to total between 80,000 to 120,000 tons.

Sealed bids will be opened December 2.

San Francisco's Sharp Park golf course contains 463 acres.

LIBRARY PRESENTED GIFTS

Campbell High's Library has been given a subscription to "The Christian Science Monitor" by Mr. Carl Olsen.

Mr. Walter Loughlin, a former student, has also generously given four beautiful volumes. "Modern American Painting", "Translations from the Chinese", by Arthur Wiley; "A Treasury of Gilbert and Sullivan", and a Peter Motteux translation of "Don Quixote".
